

# TEENLIFE GIVES BACK

## Set up your fundraiser page!

- 1** Become a fundraiser by texting "TEENLIFE" to 71777 and following the instructions. If you don't have a smart phone, you can also visit [igfn.us/vf/TEENLIFE](http://igfn.us/vf/TEENLIFE)
- 2** Click "Become a Fundraiser" and edit your personal page by uploading pictures, setting a fundraising goal, and personalizing the text.
- 3** Don't want to fundraise alone? Join or create a team! You can personalize the team page.
- 4** Find your fundraising page link and keyword and send it to friends and family! This link and keyword are different from #1, but you will only get credit for the donations on your personal or team page!

Here are some examples of a team page and a personal link and keyword.
